

Teheran Rugs

SINCE 1995

Teheran Rugs is a company with 60 years of experience in Iran, and 27 years of experience in Mexico, run by an Iranian/Canadian family.

Our pride, in addition to having the best quality, variety and price in handmade rugs, is to offer a unique and incomparable service throughout Mexico. Our priority is customer satisfaction, and our certificate is 11,000 Mexican customers who have recommended our incredible service and products. Try our service to get the best experience, from Tehran to your home.

Teheran Rugs

SINCE 1995

Teheran Rugs, has the best quality of handmade oriental rugs at an affordable price and a unique service. We take care of supporting you in choosing the best rug for your living room, dining room, hallway or any area of your need. We offer the best washing, repair and exchange service, we are the most agile store in Mexico and your best option.

Classic

When people think of traditional rugs, they think of the classic types of **carpets like Persian or Oriental rugs**. They are often finely woven rugs with ornate patterns and a high level of detail

KILIM

A kilim is a pileless, tapestry-woven rug or other textile with geometric designs in rich, brilliant colors, traditionally made in parts of the Middle East, Persian Empire and neighboring regions. Kilim has a long history that spans thousands of years and many empires. The method of weaving kilim and it's intended use have changed with each coming and going of a new empire.
